# Highlights

## High fidelity music

This is a phone for the true music fan with an ear for high fidelity music. Thanks to built-in professional CODEC, the phone boasts superb sound reproduction, delivering mellow and rich sound for the ultimate listening experience. It performs so well in the sound stakes that you will not be able to discern any attenuation in bass sound whatever the volume. Be amazed at how good your phone sounds.

## Stereo speakers

Your Philips mobile phone comes with stereo speakers that recreate a sense of natural hearing. The speakers emit a pleasant and natural impression of sounds heard from various directions for greater listening pleasure.

## 6" FHD narrow frame display

Let the magnificence of the 6" full HD display on your Philips mobile phone take your breath away. With colors that spring to life and details

that are clear as crystal, be blown away by the rich definition on the awesome screen.

Whether you are being challenged by your favorite games or savoring your latest snapshots and videos, the 6" screen gives you an unbeatable visual treat while on the go. What's more, its narrow frame design with the best-in-class screen-to-body ratio offers you an unbeatable theatre-like viewing experience on the move.

## 13MP AF F2.0 lens camera

Never miss another picture perfect moment again with your Philips mobile phone. Whether you are shooting in low light or macro conditions, your phone's 13 megapixel auto focus camera with flash and F2.0 lens will capture every precious detail. And that's not all. The phone camera comes equipped with a fantastic array of creative effects to jazz up your snapshots. With different shooting modes like automatic face retouch, makeup effects, high-dynamic-range imaging (HDR) and continuous frame shooting, you're just a click away from photographic genius.

## 5MP wide angle front camera

Bring yourself to the forefront of fun snapshots with your family and friends, thanks to the 5 megapixel front camera with an 88 degree wide angle on your Philips mobile phone. If

you're a fan of spontaneous selfies, this phone is for you.

## Posh leather-like back cover

Make a strong personal statement with the classic and sophisticated back cover on your Philips mobile phone. The premium leather-like coating not only helps you to exude an air of confidence, it also gives a soft yet firm hold on the phone. That means you don't have to worry about it slipping from your hand at any point in time.

## 1.7GHz octa core processor

Blaze ahead of others with the almighty 1.7GHz octa core processor on your Philips mobile phone. This phenomenal powerhouse zips along with your demanding needs without a cinch like no other processor before it - be it watching videos, downloading web pages or engaging in immersive gaming - and with exceptional picture quality to boot. With lightning speeds like this, what's not to like?

## Sleek mobile chic

Step out in sensational style with your ultra sleek Philips mobile phone. With a light and beautifully streamlined silhouette encased in a slim frame of a whisper thin depth of 8.2 mm, this phone is a pleasure to be hold and a tribute to all your senses.
